LOMIX STONE
porcelain 10 Years warranty

ABOUT US

LOMIX STONE is a comprehensive company that takes Sintered Stone as its core product and provides sintered stone slab that research and development, trade and services. Italian technology, Design vision, Creative power that makes a difference by expanding the value of LOMIX STONE porcelain.

A one-piece porcelain of 1600mmx3200mm size and combining with different combinations, with large patterns, offers you the opportunity to create unique and extraordinary compositions. We provide global sintered stone slabs, can be used in Kitchen Countertop, Floor, Fireplace, Exterior stairs, TV Wall and Furniture, they can also be used by architects with strong design power to serve different purposes in a wide variety of spaces by pushing the limits of their creativity.

The product sizes are diverse and accept customized, with different types, covering Marble series, Pure color series, Classic original stone series, Wood grain series, Luxury stone series, Onyx stone series, and the surface has Polished, Matte, Soft Matte. The products are sold well in more than 30 countries.

In particular, they have been favored and praised by consumers in the past three years.

LOMIX STONE has been deeply involved in the field of sintered stone, ensure that the quality of the slabs reaches a higher level in the industry, providing partners and the market with high-quality products with great price advantages, and providing consumers with a higher-end, healthier and better living space.

Welcome to join us, let us start with sintered stone and open up a new blueprint for home customization.

FINISHES

POLISHED

Creating a mirror-like surface that luxurious and modern look instantly elevates any space, enhancing its perceived size and elegance.

MATTE

Resulting in a soft, non-reflective surface. This elegant and understated look exudes a sense of calm and minimalist luxury.

SOFT MATTE

It delivers a warm, diffused sheen that sits between glossy and matte. This finish beautifully reflects light without causing glare, adding a touch of sophistication and depth to any interior design scheme.

Advantages

OUR PRODUCT ADVANTAGES

Lomix stone labs have 10 "anti-fragile" advantages. Handle the challenges of cutting and life with ease

Scratch-resistant wear-resistant

Impact resistance

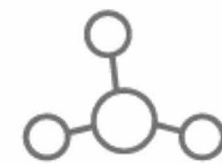

Anti-water absorption anti-penetration
